

- ✓ For security purposes, place the most valuable items at the back of the storage unit
- ✓ Shelving helps to maximize the access of your items
- ✓ Make sure you secure your unit with a superior lock
- ✓ Be sure everything you pack is clean and dry to prevent mold and mildew
- ✓ Always put the heavy items on the bottom and light or awkward items on the top
- ✓ Do not store perishables, such as food
- ✓ Do not store flammable items such as fireworks or gasoline
- ✓ Visit your unit periodically to check the condition of it and your possessions
- ✓ Sweep out the unit at times
